INDICTMENT

February 2016 Term – At Alexandria, Virginia

THE GRAND JURY CHARGES THAT:

At all times relevant to this Indictment:

GENERAL ALLEGATIONS

1. **Islamic State of Iraq and the Levant.** On October 15, 2004, the U.S. Department of State designated Al-Qa'ida in Iraq ("AQI"), then known as Jam'at al Tawhid wa'al-Jihad, as a Foreign Terrorist Organization under Section 219 of the Immigration and Nationality Act and as a Specially Designated Global Terrorist Entity pursuant to Executive Order 13224. On May 15, 2014, the Secretary of State amended the designation of AQI as a Foreign Terrorist Organization

under Section 219 of the Immigration and Nationality Act and as a Specially Designated Global Terrorist Entity under Executive Order 13224 to add the alias Islamic State of Iraq and the Levant (“ISIL”) as its primary name. The Secretary also added the following aliases to the ISIL listing: the Islamic State of Iraq and al-Sham (“ISIS”), the Islamic State of Iraq and Syria (“ISIS”), ad-Dawla al-Islamiyya fi al-‘Iraq wa-sh-Sham, Daesh, Dawla al Islamiya, and Al-Furqan Establishment for Media Production. Although the group has never called itself “Al-Qa’ida in Iraq,” this name has frequently been used by others to describe it. In an audio recording publicly released on or around June 29, 2014, ISIL announced a formal change of its name to the Islamic State (“IS”). To date, ISIL remains a designated Foreign Terrorist Organization.

2. On or about September 21, 2014, ISIL spokesperson Abu Muhammad al-Adnani called for attacks against citizens—civilian or military—of the United States and other countries participating in the United States-led coalition against ISIL.

3. ISIL sought to obtain and disclose personally identifiable information (“PII”) for individuals in the United States military and government, and directed its supporters to kill those individuals. ISIL published PII under the name the “Islamic State Hacking Division” (“ISHD”).

4. **Ardit Ferizi, a/k/a “Th3Dir3ctorY,” (“FERIZI”).** FERIZI was a Kosovo citizen residing in Malaysia, who was the leader of a Kosovar internet group that gained unauthorized access to servers. FERIZI knew that ISIL was a designated Foreign Terrorist Organization and that ISIL had engaged in and was engaging in terrorist activity and terrorism.

5. “Victim Company,” an Illinois company that operated a website to sell goods to customers in the United States and abroad, was engaged in business practices that affected interstate and foreign commerce. Customers provided PII belonging to themselves to the Victim

Company, through its website, to buy goods that were shipped throughout the United States and abroad.

6. “Hosting Company,” a United States company with a data center in Arizona that hosted websites for the Victim Company and others, was engaged in business practices that affected interstate and foreign commerce. The Victim Company leased a server from the Hosting Company to store the PII belonging to its customers.

7. On or about January 22, 2016, pursuant to Title 18, United State Code, Section 3238, **FERIZI** was first brought to the Eastern District of Virginia.

COUNT ONE

***Conspiring to Provide Material Support to a
Designated Foreign Terrorist Organization (18 U.S.C. § 2339B)***

THE GRAND JURY FURTHER CHARGES THAT:

8. Paragraphs 1 through 7 of the Indictment are incorporated herein by reference.

9. From in and around April 2015 to August 11, 2015, in an offense begun and committed outside of the jurisdiction of any particular State or district of the United States, the defendant **ARDIT FERIZI, a/k/a “Th3Dir3ctorY,”** and others known and unknown to the Grand Jury, did knowingly combine, conspire, confederate, and agree together and with each other to provide material support and resources, as that term is defined in 18 U.S.C. § 2339A(b), namely, property and services, including themselves as personnel, expert advice and assistance, and personally identifiable information belonging to persons in the United States, to a foreign terrorist organization, namely the Islamic State of Iraq and the Levant, knowing that the foreign terrorist organization was designated a terrorist organization and knowing that the foreign terrorist organization had engaged in and was engaging in terrorist activity and terrorism, in violation of Title 18, United States Code, Section 2339B.

Manner and Means of the Conspiracy

10. It was part of the conspiracy that FERIZI would and did use his specialized knowledge about hacking to support ISIL, including accessing servers without authorization in order to take PII.

11. It was further part of the conspiracy that FERIZI would and did communicate with ISIL members over the internet using social media.

12. It was further part of the conspiracy that FERIZI accessed without authorization and exceeded authorized access to the Hosting Company's server that maintained the Victim Company's website, which gave FERIZI access to PII belonging to thousands of customers of the Victim Company.

13. It was further part of the conspiracy that FERIZI would and did access and obtain PII belonging to approximately 1,300 United States military and other government personnel from the Hosting Company's server that contained PII for the Victim Company's customers.

14. It was further part of the conspiracy that FERIZI would and did provide the PII of approximately 1,300 United States military and other government personnel, including persons located in the Eastern District of Virginia, to ISIL, knowing that ISIL would use the PII to engage in terrorist activity and terrorism.

15. It was further part of the conspiracy that ISIL, through the ISHD, would and did send a communication over Twitter that contained a document with the PII of approximately 1,300 United States military and other government personnel that FERIZI had taken from the Victim Company and Hosting Company. The beginning of the document warned the "Crusaders" who were conducting a "bombing campaign against the muslims:"

we are in your emails and computer systems, watching and recording your every move, we have your names and addresses, we are in your emails and social media accounts, we are extracting confidential data and passing on your personal information to the soldiers of the khilafah, who soon with the permission of Allah will strike at your necks in your own lands!"

(Emphasis added.)
